

## Mapping of CSF CE Categories to MFDA CE Categories

This document provides guidance to Providers on how Chambre de la sécurité financière (CSF) accredited courses are to be used under the MFDA CE Program.

Credits are to be assigned on a 1:1 basis. For example, a course given 2.5 General Subject credits under the CSF CE program would be worth 2.5 Professional Development credits under the MFDA CE Program.

<b>CSF CATEGORY</b>	<b>MFDA CE CREDIT COMPONENT</b>
General Subject	Professional Development
Insurance of Persons	Professional Development
Group Insurance of Persons	Professional Development
Group Savings Plan Brokerage	Professional Development
Scholarship Plan Brokerage	Professional Development
Compliance with Standards, Ethics or Professional Conduct	Business Conduct <sup>1</sup>

1. If a Provider would like to post a CE activity as Business Conduct-Ethics, the Provider must contact the MFDA at [ce@mfda.ca](mailto:ce@mfda.ca) to provide further information and obtain confirmation from the MFDA that they can post the CE activity as Business Conduct-Ethics.

All questions regarding the CSF's accreditation and their CE program should be addressed to the CSF first.
